DRAUGHT BEER

			HALF PINT
ALHAMBRA	5.4%	GRANADA	£2.50 £4.70

Its aroma is very fresh and combines soft notes of fresh green fruits, like apple, with floral hoppy touches and a hint of cereal. In a first sip, it is refreshing, clean and elegant.

MORITZ	4.8%	BARCELONA	£2.50 £4.70
---------------	------	------------------	-------------

Light and golden in colour with lots of fluffy white foam. Its taste is smooth and pleasant, with sweet notes of extra pale malt and grain. Scented with an infusion of Saaz hop flowers, it is renowned for its quality and use of low-altitude tanks in the fermentation process to obtain a product of excellent quality.

SCORCHER IPA	4.5%	BROOKLYN	£2.50 £4.70
---------------------	------	-----------------	-------------

Surprisingly sessionable IPA. A floral, piney aroma strikes first, followed by a burst of mousing bitterness as the hops begin their attack. Suddenly, a hint of toasty malt and a clean, lively finish burst in to leave you thirsty for more.

SAN MIGUEL	5%	MALAGA	£2.30 £4.30
-------------------	----	---------------	-------------

Golden yellow with hints of old gold. On the nose there are smoky reminiscences over a cereal base. The palate is balanced, toasted and has a medium bitterness highlighting a subtly roasted barley flavour. Its aftertaste has a medium persistence which retains echoes of liquorice.

MAHOU	5.1%	MADRID	£2.40 £4.50
--------------	------	---------------	-------------

Shiny, golden yellow colour. Its taste is flavoured with toasted barley notes. Reminiscences of starch. While tasting, a lightness and very well rounded bitter finish can be perceived. It has a good taste balance. An elegant after-taste and medium persistence.
